Vendors will cue along 56th street preferably from the north side of the street facing west. Vendors are to unload and park their vehicles prior to setting up their booth.

Similar to unloading, in order to minimize wait time in cueing, vendors are to have their market materials fully broken down for loading when they move their vehicles in for pickup.

Vendors must cooperate with the HarborMarket Management and obey all rules. A vendor will be notified verbally and then in writing, stating the problem. Failure to respond to the problem will result in termination of the vendor at Harbor Market, without any refund of rental fees.
